MYOXY CAVIAR FACIAL | FOR ULTIMATE REPAIR

The ultimate anti-aging treatment containing the latest phito extract: a vegetal botoxine proven to visibly smooth wrinkles. The caviar path incorporates the latest cosmetic technology enhanced with precious pearl extract. This remarkable, scientifically advanced age-defying treatment provides phenomenal results by firmly tightening the skin. An unsurpassed treatment that must be experienced firsthand.

SKINFIT FOR MEN | JUST FOR HIM

A complete fitness facial for men's skin. A deep cleansing is performed to exfoliate and prepare the skin for an application of high-tech ingredients to prevent or relieve razor burn and sensitivity. This relaxing facial and neck massage will soothe and relax him.

DEEP CLEANING EUROPEAN FACIAL | FOR ALL SKIN TYPES

This classic deep cleansing facial offers exfoliation, steaming and deep pore cleansing. And a facial massage customized to suit your skin's specific needs.

ANTI-AGING REJUVENATION | FOR LACK OF ELASTICITY AND SUN-DAMAGED SKIN TYPES

Rejuvenate dry, devitalized skin with this vitamin enriched facial treatment. Your treatment begins with a deep cleansing European facial, followed by the application of vitamin C, seaweed and squalane oil in order to leave your skin luminous!

ULTRA DRENCH HYDRATING FACIAL | FOR DEHYDRATED SKIN

Give your skin a radiant glow with this anti-free radicals facial. Your journey begins with a deep pore cleansing facial followed by the application of an ampoule enriched with vitamins A and D to hydrate and rejuvenate your skin. Next, a warm mask will be applied to assist in the penetration of the active ingredients.

ULTRA SOOTHE FACIAL | FOR SENSITIVE OR SUN-BURNED SKIN TYPES

Soothe sensitive skin with the combination of natural, anti-inflammatory active ingredients. A light cleansing and exfoliation will precede this treatment if the skin allows.

ENLARGED PORE THERAPY FACIAL | AN INTRODUCTION TO SKIN CARE

This intense treatment brightens the complexion, tightens the pores, refines skin texture, and hydrates. Recommended for uneven skin textures with large pores.

TEEN FACIAL | AN INTRODUCTION TO SKIN CARE

Allow our licensed aesthetician to evaluate and treat your teen's sensitive and occasionally problematical skin. This treatment includes enzyme exfoliation, steaming, deep pore cleansing and the appropriate treatment mask to control oil and acne.

BEAUTY FLASH FACIAL | ALUMINOUS FACIAL TREATMENT

Visibly enhance your skin with this lift calming and hydrating mask. The combination of propolis and seaweed will firm, hydrate and sooth your skin, it will fell fresh, toned and firm. Highly recommended for a special event.

JUST FOR YOUR EYES | SMOOTH AND RELAX

The delicate eye area needs special care: a highly concentrate of collagen will help to relax, calm and smooth lines. A customized mask will be applied on your skin. Complete your facial with an eye treatment. Highly recommended!

BACK FACIAL

A deep cleansing facial designed to fulfill the needs of all skin types by detoxifying and replenishing the skin's natural radiance, which is easily lost in the stresses of the day-to-day living. The back facial is an exclusive treatment specifically designed to address your skin's diverse needs.
